ADDITIONAL INFORMATION TO BE AWARE OF FOR HIGHER EDUCATION COURSES

- Only a total of 2 units lower than 400 level units can be used toward a *Bachelor of Education* (eg.HIT191 is a 100 level unit and ICT440 is a 400 level unit). Any requests to include more than 2 can be negotiated on a case by case basis by contacting Lorraine Connell at CDU lorraine.connell@cdu.edu.au
- Some of the Higher Education units on offer can also be used toward a *Master of Education Degree*. Students who have appropriate IT skill level and wish to maximise articulation of this award into a Masters Degree should arrange to take equivalent IT units at the 500 level. Please contact the appropriate CDU staff to discuss options.
