www.ict.schools.nt.gov.au

DEET utilises Janison Solution's 'Web Toolbox' for the delivery of online learning.

- Teachers who would like to work with an e-learning environment will need to complete a minimum of one-day training and professional development.
- The planned outcome of the training sessions is for participants to develop and manage an online course designed to meet identified needs.
- There is **no** funding available for relief teachers, travel or accommodation.
